

ABHINAV BATWAL - RESUME

First-Year B.Tech CSE @ JECRC University | Kota District, Rajasthan | +91 8619385002

PROFILE & JOURNEY SUMMARY

Passionate 1st-year Computer Science student at JECRC University, Jaipur.
Programming journey started around 10th standard with deep curiosity for logic and software.
Strong foundation built at Mangalam Vidya Vihar, Kota with a competitive STEM mindset.
Enthusiastic hardware tinkerer focused on electronics, embedded systems, and system optimization.

EDUCATION

B.Tech in Computer Science & Engineering (1st Year) | JECRC University, Jaipur (2024 - Present)
Senior Secondary & Secondary Education | Mangalam Vidya Vihar, Kota District, Rajasthan
Foundational milestone: 10th Standard discovery of programming fundamentals, algorithms, and logic.

TECHNICAL & HARDWARE COMPETENCIES

Programming Languages: Python, C/C++, Java fundamentals, JavaScript, HTML5/CSS3.
Hardware & Tinkering: PC Building, Microcontrollers (Arduino/ESP), Raspberry Pi, Sensors.
Tools & Systems: Git & GitHub, Linux / Bash, Command Line Utilities, VS Code.

PROGRAMMING TASKS & PROJECTS

Task Suite 1: Algorithmic Logic & Data Structures problem solving.
Task Suite 2: Python Scripting, File Processing & Task Automation.
Task Suite 3: Interactive Web Portfolios & Responsive Interface Design.
Hardware Project: Microcontroller Sensor Telemetry & Device Automation Prototype.
